

**Proposed Amendment to Section 7.1.3
of the Sewer Use Rules and Regulations**

To amend Section 7.1.3 to add the following provisions to define service type and number of unit charges

<u>Service Type</u>	<u>Number of Unit Charges</u>
15. Physical fitness or sports training facilities, gyms and clubs:	
a) up to four (4) persons working or employed therein (See Note A)	1.0
b) for each additional person over four (4) working or employed therein	0.25
c) Per 100 patrons (daily average) or fraction thereof (See Note I)	3.5
d) Additional for showers per 100 patrons (daily average) or fraction thereof	1.5
e) Addition per 3 clothes washing machines or fraction thereof	1.5
f) Additional for cafeterias with kitchen facilities per 100 patrons (daily average) or fraction thereof	1.5
g) swimming pool and/or hot tub backwash	1.0

I. To determine the daily average number of patrons in the absence of specific information, it shall be assumed that each patron uses the facility an average of biweekly, or one-half times per week. Thus if there are 550 registered patrons but only 200 active patrons, the daily average is calculated $550 \div 2 = 275 \div 7 = 39.2$.
